

Future Farmers Network

Rabobank Farm Managers Program

Background

Rabobank's Southern Queensland & Northern New South Wales Client Council would like to partner with the Future Farmers Network to support young agricultural producers. Rabobank will offer a place on the annual Farm Managers Program to the successful applicant who displays a clear ambition and desire to help the sustainability of their industry and is someone who would benefit from business management training.

The Rabobank Client Council is committed to supporting initiatives that enable the next generation to grow the family business. The Rabobank Farm Managers Program, a one week residential course held outside Christchurch NZ from 23-28 June 2019, is for up-and-coming farm managers from across Australia and New Zealand who want to take their management skills to the next level. The successful applicant will win a place on this esteemed course and all flights and accommodation to and from New Zealand will be included.
